

Bonner Leaders Community Learning Agreement

UNC Bonner Leaders Program requires that all Bonner Leaders and Site Supervisors fill out the Community Learning Agreement at the beginning of each semester/year (in the first year, once per semester, in subsequent years at least once per year). **The Community Learning Agreement is a tool that acts as reference point for the beginning and end of service each semester/year.** The Community Learning Agreement helps make sure that the Community Partner and Bonner Leader have a mutually agreed upon understanding of what the Bonner will be working on each semester.

Bonner Leaders and Site Supervisors need discuss and complete the various components of this form together and return the completed, signed form to the Bonner Director, Yalitz Ramos, by October 2nd, 2017. The Bonner Director will then make a copy for the Bonner Leader and Site Supervisor so that both can refer to it later. If you would like to learn more about the Community Learning Agreement, please visit the Bonner Foundation website <http://www.bonner.org>.
